

MEET the Teacher

Ms. King

Hello parents and guardians! My name is Ms. Jackie King, I am 28 years young and live in Mount Laurel, NJ (I moved this summer!). I will be your child's 5th grade teacher and am eager and excited to get to know each child individually, and look forward to a fantastic 2019-2020 school year!

I have my master's in special and elementary education at The College of New Jersey and received my bachelor's from Robert Morris University in TV/Video Production. Before obtaining my master's, I spent some time in the corporate e-learning video world. After realizing that the corporate world wasn't for me, I took a risk, quit my job, and went back to school to follow my true passion of teaching. I wake up every day with a smile on my face, knowing in my heart that teaching is where I am meant to be.

I am very excited to be back in 5th grade as this is my second year at ECS, and third year teaching 5th grade. I am honored to call ECS my home, leading "King's Krew" to a successful and happy school year.
