

Dear Parents and Guardians,

During the 2021-22 school year, the Eastampton Township Public School District will offer a tuition based, half-day Integrated Preschool Program for three-and four-year-old children. The program will run **September 3rd** through **June 15th** following the regular school calendar. We will offer one morning and one afternoon session. Each class will include typically developing children and children with various developmental challenges, learning together in the same engaging and inclusive environment.

The goal of the program is to provide an enriched preschool experience that meets the physical, communication, social, and cognitive needs of young children. The program structure is similar to a typical preschool program, as the teaching of developmentally appropriate skill areas is embedded within the curriculum and school day. Throughout the week, our preschoolers will attend art, library, music, and physical education classes. The classroom will be staffed with a certified teacher and at least one paraprofessional.

In order to be considered for admission into the program, there are four requirements that must be met:

- Registration priority will be given to Eastampton residents. If extra space is available, non-resident students will be considered for the program. If demand exceeds openings, a lottery system will be implemented.
- Students must be the designated age of the class on or before September 30, 2021.
- Students must be toilet trained.
- Students must have up-to-date immunizations.

The integrated preschool is a half-day program that meets five days per week; morning classes are from 8:45 to 11:45 A.M. and afternoon classes are from 12:30 to 3:30 P.M. Children must be three and not yet five years old on or before September 30, 2021. Transportation is provided for students with disabilities, as identified by the Child Study Team. Tuition for the program is \$2,500 per year. Payments can be made in monthly installments (\$250/month). We anticipate openings for up to 20 students for the 2021-22 school year. Applications will be accepted beginning June 1st through June 30th, 2021. If applications exceed openings, a lottery will be conducted. Parents will be notified of student acceptance by July 5th. Initial payments will be due by September 1st.

Please complete the attached application and return the form to the Office of Registrar, Preschool Program, 1 Student Drive, Eastampton NJ, 08060. If you are an Eastampton resident and think your family would qualify for free and reduced lunch, you may be eligible for consideration for a reduced tuition rate. If my child is selected for this program, I will register my child, provide a copy of his/her current physical examination and immunization records, and pay a \$50 registration fee to be credited toward September's tuition payment.

I wish to enroll my child in the integrated preschool class this fall. I understand this program is a half-day, five days per week program following the school calendar (September 3rd through June 15th) , and tuition will be \$2,500.00 for the 2021-22 school year, payable in monthly installments. ETSD is not able to provide transportation for preschool students unless identified by the Child Study Team. \_\_\_\_\_ **(parent initials)**
