

Eastampton Township School District

Ambrose F. Duckett, III
Superintendent/Principal

Patricia Austin
Interim Business Admin/Board Secretary

August 2022

Important Information on Emergency School Closings

Dear Parents/Guardians:

If an emergency situation exists or adverse weather conditions cause a delayed opening, interruption or cancelation of school, you will be notified via our Blackboard Connect telephone system. Please be sure to update your contact information should any changes occur throughout the school year. Additionally, school closing information can be found at the following locations:

- Eastampton Community School website – www.etsdnj.us – and our Facebook page
- RV-TV Channel 19

School closings on KYW-TV3, WCAU-TV NBC 10 and WPVI-TV 6 will be listed by school district name – Eastampton Township School District.

Early Dismissal – Emergency Closing During School Hours:

If an emergency develops during school hours causing an early dismissal, the District will initiate the Blackboard Connect telephone system to notify parents/guardians. All after school activities will be canceled for the day.

Delayed Openings:

In the event that a two-hour delayed opening occurs, your child's bus pick up time will be delayed by two hours (e.g., pick up time of 8:04 am would now be at 10:04 am). Walking students should report to school two hours later than usual. Lunches will be served, although lunch periods and menus may be adjusted. School will be dismissed at the usual time. Depending on weather conditions, after-school activities (athletics, clubs, and meetings) may be canceled and the school building closed for the day. Please check the website for the status of after-school activities.

Should you have any questions pertaining to emergency closings, delayed openings, or early dismissals, please contact the main office.

Sincerely,

A handwritten signature in black ink that reads "Ambrose F. Duckett, III". The signature is written in a cursive, flowing style.
